

T'Owd Man's

Mutterings

Issue 128

July 2014

The allotment holders celebrated midsummer's day

by firing up the bread oven and enjoying alfresco hand-made pizzas

In folklore T'Owd Man is a spirit that inhabits mines and caves. T'Owd Man of Bonsall is a carved figure of a miner that was taken to Wirksworth when St James church was being refurbished in the 1860s. It was said that strange noises coming from the old Ball Eye mine at the end of Church St. were of T'Owd Man muttering.

CHURCH NEWS

Do you listen to, read and or watch the news the "old fashioned way" or perhaps the "modern way" using a Tablet/ Kindle/ Smartphone?

However we take note of the news, the events occurring are just the same. There seems to be so much happening throughout the world. Headlines change rapidly; people places events are soon forgotten, as they are replaced so quickly. They also stir up our emotions. I found myself reading about and watching all the events relating to the commencement of World War One (WW1) and World War Two D Day and also the people who were involved. What about the "great escape" of 89 year old Royal Navy Veteran Bernard Jordan, who "absconded" from his Care Home in Sussex and went to Normandy to honour the fallen? There are plans to commemorate the centenary of WW1 in Bonsall. Brenda, Mark and Phil have been putting in a lot of hard work and wetting our appetites with possibilities that will enhance the village and may even provide opportunities for "special events" – keep a look out for news updates!

Some items of news stir us into action, writing about, giving and praying for people caught up in situations - events in Syria, Afghanistan, Iraq, Ukraine, South Sudan and other places in Africa, America, Asia and the UK.

Where did the Malaysian Plane go to? How are places impacted by earthquakes, tsunamis and other disasters coping right now?

How heartened we were by the bravery of 19 year old Stephen Sutton, who inspired Britain to raise money for the Teenage Cancer Trust. Oh and as I write, the World Cup is taking place in Brazil and England are hanging on by a wing and a prayer! How will Andy Murray fare this year at Wimbledon? Perhaps you have your own "headlines" that stick in your mind?

As a Christian, I'm so thankful that I have the faith to believe that there is a God who created this wonderful world in which we live (I have enjoyed Springwatch and learnt some amazing facts about animals, birds, fish and insects) and who sees

and knows all the news headlines and the events we don't hear about. Psalm 139 describes how God sees and knows all things; nothing can be hidden from Him. This provides a challenge and can cause our hearts to miss a beat where we have secrets we think no-one knows about. Alternatively, it can be a comfort to know that God knows, loves and cares no matter what. Even before we were born, God sees and knows all. "Oh yes, you shaped me first inside, then out; you formed me in my mother's womb. I thank you, High God – you're breath-taking! Body and soul, I am marvellously made! You know me inside and out, you know every bone in my body; you know exactly how I was made, bit by bit, how I was sculpted from nothing into something. Like an open book, you watched me grow from conception to birth; all the stages of my life were spread out before you, the days of my life all prepared before I'd even lived one day. Your thoughts – how rare, how beautiful! God, I'll never comprehend them! I couldn't even begin to count them – any more than I could count the sand of the sea. Oh let me rise in the morning and live always with you! Investigate my life, O God, find out everything about me; cross examine and test me, get a clear picture of what I'm about; see for yourself whether I've done anything wrong - then guide me on the road to eternal life." The Message Bible

We may or may not be able to have an impact on the news headlines. However by our prayers, I believe God can! By the way, the really "good news", well worth reading, even on modern technology, is found in the Bible especially the Gospel of the Lord Jesus Christ. Some of the news events that have occurred down the years and that will one day "hit the headlines" are written about in the Bible! Well worth a read!

Thanks to all who are organising and preparing for the Well Dressings and Carnival Week, may the Lord grant us some sunny days and safety as we enjoy all the events.

May the Lord Bless you and your families and friends in all you plan over the holiday period.

OBITUARY

Elsie Thompson: 1922 – 2014

Elsie was born here in Bonsall on the 19 March 1922; the eldest of two daughters born to Bernard & Beatrice Bunting, the family first lived at Arter Hill in the Dale before moving to High Street near the Cross. Her third and final move was to Study Drive in the early 30's and she lived there for the rest of her life.

Educated at the Girls School here in Bonsall, she left and like many of her contemporaries went to Masson Mill walking there and back each day. However, Elsie was asthmatic and so had to leave Masson Mill with its fine cotton dust and went to work at a nursery in Tansley then a laundry in Matlock.

During World War II, she was employed at Whitworth Hospital and while working there she met Charlie, a railway worker, who lived locally in Darley Dale. They were married on March 1, 1947 – but a path had to be cleared to St James Church because of the heavy snowfall before the wedding could take place.

Charlie and Elsie had three children, Linda born in 1952 who sadly only lived a short time, Yvonne who was born in 1953 and Philip in 1956. Elsie's sister Hilda sadly died in 1964 aged only 45. Quiet, shy but not a leader she enjoyed being a part of many of the village activities – being particularly involved in the Fountain Well dressing every

year. She and Charlie loved to walk around the village most days and so knew most of the people. Both enjoyed stopping for a weekend drink at one of the local pubs. Charlie passed away suddenly in 1996. After his death, Elsie could be seen daily climbing the 60 steps to visit his grave in the churchyard.

Having lived all her life in Bonsall and being very much part of the community, Elsie chose to stay in Bonsall after Charlie's death. She was also an active member of the village pensioners club that met every Wednesday afternoon in the village hall but had to stop going when she became dependant on a wheel chair.

Elsie remained living at Study Drive and despite becoming severely disabled in 2010, she continued living independently at home with the assistance from family and carers until only a few weeks ago when she was admitted to the Whitworth Hospital where she sadly died on Monday 26 May.

She will always be remembered by all her family and friends as a brave determined lady who never complained despite all her health problems. Elsie a loving mother, grandmother and great grandmother will be very sadly missed by all who knew her but especially by daughter Yvonne, son Phillip and their families.

Disability Fostering and Adoption event

Derbyshire County Council is looking for people who can give long term and permanent homes to children with additional needs and disabilities.

There are around 630 children in care in Derbyshire including young people with a range of different challenges and needs.

There will be an information evening at county hall in Matlock on July 1 from 4pm to 7pm.

The council's fostering and adoption team will be on hand to offer help and advice. Local charities will also be at the event to talk about support they can offer.

As well as adoptive homes the council also needs foster carers for all types of disability fostering including long term and permanence fostering. They're also looking for people who can offer full time baby placements.

To find out more about offering a home to a child with additional needs visit www.derbyshire.gov.uk/linkcare or call 0800 083 77 44 or 01629 533071.

Well Dressing Information

This is going to be a busy and exciting month for the village and as promised here is the information you need to lend a hand with some of the wells that will appear as if by magic in three weeks time! Work commences on the wells at the beginning of the week prior to the

carnival weekend (Monday 21), starting with the picking out of design and laying down the outline. Then the laying on of non-perishable bits and pieces, seeds etc. on Wednesday. Petalling takes place on Thursday and Friday until it's done! There will be 7 wells again this year – that's a lot of petals! The church well is put together in the rectory room, next to the school and if you have any time please pop by as there will always be something you can do. The Clatterway well is produced in the red garage on your right going down and if you pass by and the door is open you are very welcome to stop there and lend a hand. The Cross well is made in the first garage on the right going up Church Street, there again if you are passing please drop by and have a go. NO PREVIOUS EXPERIENCE NEEDED, just a little (or a lot!) of your time.

The Blessing of the Wells – 27 July

This year the blessing of the wells will be slightly different to previous years. The Church and The Cross wells will take place at the end of the 9–30am service at St James, approximately 10–30am. The Chapel well and the School well blessings' will be included in the 6-15pm Songs of Praise service at The Wesleyan Chapel. It would be lovely to see you there.

Summer Meetings

Our June meeting was a Songs of Praise at St Helen's in Darley Dale where we joined members from Matlock, Wirksworth and Darley Dale. Four of us also joined the Buxton Deanery in Buxton for a Strawberry Tea, a fundraiser for the MU and their Wheels Appeal.

On July 14 we will be having a cake stall at the Methodist Church in Bakewell between 10 and 12. Last year we raised £250 even though we arrived in a snow storm. If anyone would like to bake a cake or provide homemade jams or chutneys, please let Di or Pat have them before Sunday 13. We found last year, that small cakes or individual puddings sold really well.

Pat and Di have been asked to give a talk about Peace to the WI in Darley Dale. Any donations and proceeds from these events help us keep Rachel and Rita at school and university.

We hope to have a Dale Diva concert in Bonsall next spring as the one we organised at the Whitworth Centre as part of the Wirksworth Deanery was such a success.

On July 9 there will be soup and surprise in the Village Hall at 1pm, everyone is welcome, £3 per person for as much as you can eat.

Our meeting will be the same evening,

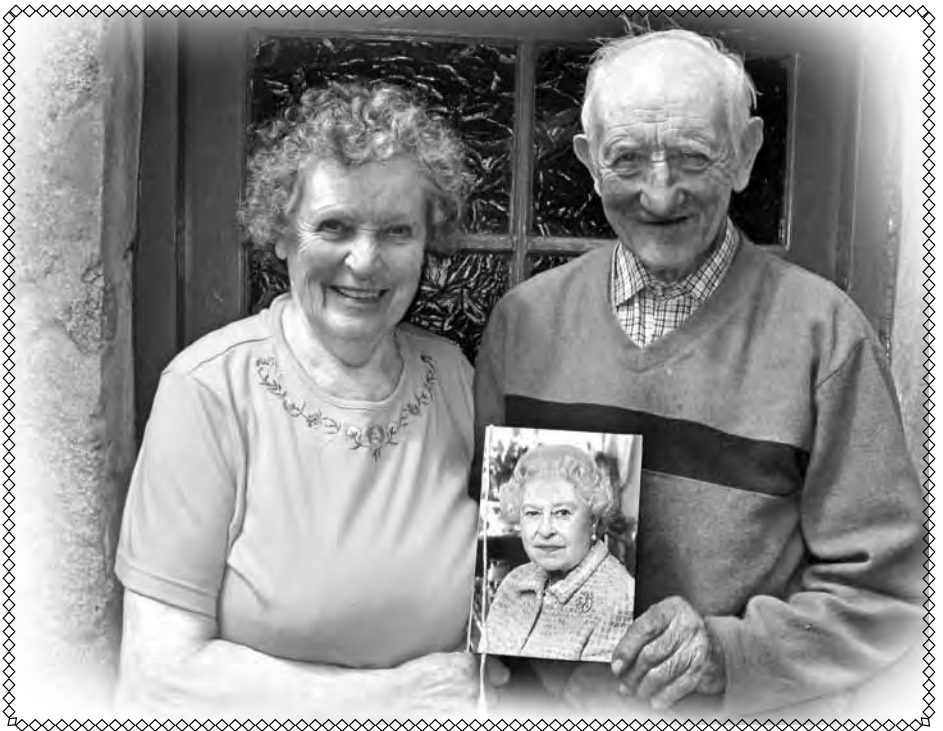

the 9 at the home of Jane David on Puddle Hill when the speaker will be from Jigsaw, the Food Bank project. Please come along, we start at 7.45pm

There is no meeting in August.

Thank you to everyone who continues to support us in our efforts to give Rachel and Rita the very best start towards their adult lives, something we could not have done without the generosity of so many people and something they would definitely have not had.

T'Owd Man's Treasure 2014

This is Adam Hayes who
has generously agreed to
create a unique art work
for this year's T'Owd Man's
Treasure. The prize will be a
print; a cartoon depicting an
alternative tale of how T'Owd
Man ended up in Wirksworth.
It will be a work to both amuse
and treasure. This year's
Treasure Hunt will take place
on Thursday 31 July, the
time and meeting place to be
announced soon.

Adam moved to Bonsall in 2012
with his partner Sarah (also an
artist: www.sarahbridgland.com), and in 2013 they had
a little girl called Annie Wren.
Adam Hayes is an illustrator
and designer and works from a shed
in the garden at Dodys Cottage. He creates
his own artwork for various newspapers,
magazines and advertising clients all
over the world. He specialises in hand
drawn typography and lettering art, as
well as hand drawn maps and intricate
illustrations. Adam is a graduate of
The Royal College of Art and has run
his own art studio for 8 years. You can
see Adam's work on his website at www.mrahayes.com.

Many thanks to Adam for his gift to

the village made to WW1. Twenty two
people came along and enjoyed a glass
of wine, whilst they heard presentations
about the projects. It is hoped that
the village will be successful in bids
to the Lottery Heritage fund and War
Memorial fund. This will benefit those

who live in the village now, and those who will do so over the next 100 years whilst remembering the significant sacrifice made 100 years ago.

The project consists of three elements:

Rebuilding the steps between the Park and Church

The audience heard how the plans include applying for funding to rebuild the steps between the Park and the Church and dedicating a step to each man who died from the village in the First and Second World Wars. The project will include links with the school and the opportunity for the children to explore the histories of the individuals who died and who will be remembered on each memorial step. The children will hopefully be able to explore the role of horses in the village and their contribution to the war thanks to the support of the Bonsall Riders Group.

The activities involving the children will be both a commemoration of the contribution of the village and also help make learning about the war include the local impact.

Build a Bandstand in the Village Park

The next element of the proposal includes applying for funding to build a Bandstand in the park. Children will be involved in the design of the metal work on the Bandstand which can incorporate local features such as the T'Owd Man and the Regimental Crests of those regiments who included Bonsall men. The Bandstand will be used for a variety

of events, not just for bands. It will provide a focal point for the park and remember those who returned from the front, and the families and community who pulled together at such a difficult time.

Alterations to the Village Hall

The third element to the proposal is to complete the alterations to the Village Hall with the addition of a large window at the front, repairs to the flat roof and the addition of new railings at the front. The Village Hall will continue to have a key role, to provide all the people in the village somewhere to hold functions. The project also includes plans to have a series of events on an ongoing basis for people to learn old skills and new ones as part of the support for our community. These were warmly welcomed, the list included brewing and some people were enthusiastic about the suggestion that this might include demystifying Facebook and other new fangled things on the internet and in our phones!

Everyone who came, and those people who live around the park who we have been able to talk to, all welcomed the proposals so far. There were some brilliant suggestions for workshops and other additions to what is being proposed. On that basis the project team will be putting together an outline bid to see what reaction is received from the funding bodies. We are all really excited about the project and whether we succeed with the complete project or a part of it, we know how fortunate we all are as a result of the contribution made 100 years ago. Whatever happens, we

intend to commemorate this in whatever way we can.

The biggest future issue for the project team is to make sure that we keep the village up to date with how things proceed and we would welcome anyone coming along to get involved in any capacity. Our next meeting is on 8 July at the Kings Head at 7.30pm and all welcome.

If you would like more information or would like to see the presentation please contact Catherine Rawas 820947 or Mark Sobey 820132

A big thank you to all those who came and supported the event, to the Parish Council for generously providing funds to support the Commemoration Project and to the Barley Mow for a donation of wine.

Commemoration event on 28 July

On Monday, 28 July the Bonsall running race will be held at 7.00 pm, starting at The Cross, as part of the Carnival week.

After all the runners have finished, around 8.15pm, there will be a reading in remembrance of all those who fell in the four years that followed that fateful day in 1914 when war was declared. A Trumpet solo will follow and the event will be concluded with a peal of the bells at St James' Church.

VILLAGE NOTICE BOARD

A Younger View on the Uppertown Proposal

As a young person in the village, I am getting increasingly concerned at the degradation of the landscape which I have grown up in. The development of the affordable housing at the bottom of the lane where I live is a real worry. And has everyone realised that the proposed wind turbines at Griffie Grange will also be visible from Uppertown. I love this landscape but it is gradually being eroded around us. I would like to urge all the young people in the village to understand the implications of these planning decisions.

Thomas Harris

Uppertown – Have Your Say

The proposed housing estate in Uppertown should be completed before Christmas. However, although that seems a long way off, the council allegedly want to decide on New Signage. It is therefore proposed to get the residents of Bonsall to become actively involved in this decision making process, so will you please submit your ideas to the Mutterings as soon as possible. Some have already been submitted, so please get a move on!

Farewell to Brian and Kath Lee

It has been 10 years (almost to the day) since Brian and Kath moved in to Craggside cottage, Dale End. They are now moving to on to a new chapter of their lives in Stoke.

I have had the privilege of knowing them for the whole of that time. They are truly remarkable people who love life, love people and in particular they love Bonsall. They shall miss us dearly, as we shall miss them.

PARISH & DISTRICT COUNCIL

Parish Council Report

Bonsall Parish Council met on Tuesday 17 June at Bonsall Village Hall.

The new Police Officers Matt Winterbottom and Sue Lester attended to introduce themselves they cover Wirksworth, Bolehill, Middleton, Cromford and Bonsall please do contact them if there are any queries or issues, the best way to get hold of them is to call 101 and ask for them by name or call Derbyshire Police Safer Neighbourhoods Team.

They will request a visit from Speed Gun for Park Bottom, High Street and The Dale, this should take place in the next two weeks.

Three residents of Ible attended making representation from Ible regarding Griffe Grange Wind Farm, they had previously sent the Parish Council letters outlining their objection to the Wind Farm. In summary these were: currently there are four turbines in Carsington Pasture, two granted at Ryder Point and one more at Viaton. This is as much as the landscape can absorb. The additional proposed five will have a big impact. Closest one is about 600 metres from Ible. Visual impact on Bonsall will be greater than the current turbines. General concern about effect on national park and impact on tourism. Very concerned about Community Fund being promised over 25 years – appears to be a way of influencing people to accept – one fifth of the fund has already been promised to Brassington and therefore is not available to the multi parish working group to administer.

Also a concern expressed that the planning application is only being dealt with by Southern Planning when the visual impact in the Northern Area.

District Council has paid £5,000 for a special consultation on the landscape and environmental effects.

The Parish Council voted to register an objection to the Wind Farm based on it be unsustainable in the proposed location and it having a major impact on the residents of Ible where all houses face towards the turbines and the impact of the 'flicker effect' during low sun in the winter months would be extensive.

Cllr Ratcliffe reported that she had met with Cllr Cartwright and the clerk for a walk around the village – a report being prepared will be circulated to Bonsall Parish Council included mud and foliage blocking the road.

Four consultations out: please visit the Derbyshire County Council website via 'Have Your Say' to register your opinions. Mobile Library – two small mobile libraries once a month – under consultation. Mental Health project. Children's Centres and Adult Care.

District Council carry out cleaning of pavements and drains on behalf of the County Council as of now. Drain cleaning complaints must go to Call Derbyshire.

The Parish Council had received a request for seed funding for the WW1 Commemoration project and voted to make an initial grant of £250 and offered to help administer the funding for the project.

A member of the public had raised a query about the maintenance in the part of the churchyard looked after by Derbyshire Dales District Council. The District Council have reduced the maintenance programme for Churchyards. The Clerk will write to DDDC requesting the programme be restored and in the meantime Bonsall Parish Council will pay for the work to be carried out.

The next Parish Council meeting will be held on July 15 at Bonsall Village Hall and there will be a presentation from Isabel Frenzel the Rural Housing Officer regarding the Affordable Housing proposal. If you have any issues you would like the Parish Council to discuss, please contact the Clerk.
