T'Owd Man's Mutterings

November 2024

In folklore T'Owd Man is a spirit that inhabits mines and caves. T'Owd Man of Bonsall is a carved figure of a miner that was taken to Wirksworth when St James church was being refurbished in the 1860s. It was said that strange noises coming from the old Ball Eye mine at the end of Church St. were of T'Owd Man muttering

CHURCH NEWS

by Neil
Griffiths

Dear Friends

It won't have escaped your notice that the days are getting shorter and the temperatures are falling. In days gone by people might well have seen that changing of the days, the changing temperature and the reducing hours of daylight, and begun to think about winter and the threat that would bring to life and limb, as food became less available. One's mortality would naturally become ever more real.

We are now moving towards November which has become the time when many across the Christian world remember those who have died. Over time this has also become a time to have fun, known as Halloween. For example, on Saturday 2 November we remember all who have died, we gather together, and in many churches we gather at this time so support the family and friends of those who have died recently. An All Soul's Memorial Service will be held in St James church at 6pm on Sunday 3 November to remember those

dear to us who we have lost in recent years. All are welcome to join us at this special service.

It cannot be an accident that these times coincide, that when the world seems at its darkest, and the sun is at its most remote, people remember those who have gone before, those who have passed into another realm.

We have hope that spring will appear, that the days will lengthen, that temperatures will rise again. As people of the scientific age, we know that these things will happen, but in days gone by that would have always been a matter of faith and trust.

We light candles in church to dispel the darkness of the night and to share the light that will always overcome the darkness. This was always the experience of all those who have gone before and is our experience, and our faith and hope for the future.

Join us over the coming weeks to pray for those who struggle with this time and to remember all who mourn the passing of a loved one.

With every blessing
Rev. Neil Griffiths

FLOODLIGHTING

November brings special memories for many.

Stephen, Tricia and family remember Stephen's dad, Arthur on 5th of the month.

The 19th is special for Eric Gregory who remembers his parents, his brother Joe and sister Noleen.

Linda Gould and all her family remember Brian Stone on 24th and also Jane and Caroline.

Richard and Kath have fond memories of Richard's mum and dad, Billy and Greta during this time.

If you would like to be included, e-mail me please.

Bonsall School

Edie, Evelyn and Gus from year 6 were fascinated by their history lessons on Ancient Egypt and by their enthralling visit to Derby Museum.

All of year 3,4,5 and 6 travelled by coach to Derby Museum to follow up on their school lessons and look at information and displays about the pyramids and life and death in Ancient Egypt.

The pyramids were used as graves for important people and many of them are still standing although trophy hunters, mainly in the 1800s, used to steal stones and artifacts as they didn't know any better.

The children saw mummified people and sarcophagi (behind glass) and were very interested to hear that, during the mummification process, the dead person's brains were pulled out through his nose with a hook. (argh!!)

Only rich people had a grand sarcophagus and they usually had a lucky scarab beetle buried with them. The children were able to make a model of a scarab beetle out of clay.

Sadly the servants of the rich people were entombed with their master. They would eventually die of hunger and thirst!

The children were also impressed by the taxidermy displays. They especially liked the penguin, the birds and the fox.

Gus explained that they were able to stroke the fox with the back of their hands, this ensured that oil from their hands did not contaminate the fox.

Altogether very interesting if a little macabre.

Poems:

Waste Not Soup

The weather is turning cooler, autumn is on its way.

The mornings are darker the nights are drawing in.

It's time for comforting food that warms you from inside.

A big pan of homemade "waste not soup", will hit the spot.

I have a wonky carrot, a wrinkled parsnip, a pepper that's not so plump, potatoes with sprits and onions with green shoots, that all need to be used up.

I'll chop them up and pop them in the big soup pan, with stock cubes and herbs, that's a plan.

Cheap to make but oh so tasty, some for now, some for later and some for the neighbour.

Many a person would have thrown them out, no not me I'll waste nowt.

Thank you.

Many thanks to the Kings Head Harvest Auction for their kind donation in 2024. It is donations like this, plus the revenue from the supportive advertisers that enable Mutterings to be published every month.

Please note that a colour copy of the Mutterings can be found on the new Bonsall Parish Council website at www.bonsall-pc.gov.uk/

Poems Continued

Seems Like Yesterday

I walked past my old village school today.

Memories flooded back.

Mrs Ratcliffe my infant teacher, a classroom with a view of St. James church and fields afar.

Morning break, little glass bottles of silver topped milk, with straws pushed through to drink.

Mr Woodward the headmaster, a tall gentle man, in his smart tweed suits and his light auburn hair and busy sideburns.

Mrs Smith, sewing and English. A well-dressed woman with red lips, powdery skin and a make-up line under her chin.

Mrs Morris, music and drama, taught us all to play the recorder.

Miss Else, seemed stern and old fashioned with a hairy chin. Chanting times tables was grim.

The playground with big gates and very tall walls, that now look so small!!

A frightening day for us, a bomb scare at the school! All children to evacuate to the church, and wait till the all clear is called.

I still remember my class mates, now we are nearly 60.

All lived in the village, now most moved away.

Still in contact with a few, thank you Facebook, what would we do without you?

It all seems like yesterday, such happy memories of my village school.

PARISH COUNCIL

Parish Council Report for meeting on 15 October

Website:

The old village website is no longer operational. All residents are urged to visit the new website at <https://bonsall-pc.gov.uk/>

Clerk to arrange session with Cllrs Harris and Smith to inspect website.

Public Speaking:

K Potter (Peak Park Forum) reported that Parishes Day, which involves all the parishes in Peak Park, had gone well. As expected, there was continuing concern about the lack of affordable homes in the Peak Park. She hoped people would respond to the Local Plan Review (information available on PC noticeboard and website). Cllr Buckler reported that DDDC will be launching its review in the next few weeks. He noted government targets for house building which will create extra pressure on areas not in Peak Park. He referred to the Housing Needs Assessment; BPC will discuss at the next meeting if it wishes to take part.

Leigh Johnson requested that he should be named directly when he speaks at the meetings. Clerk told him that the piles of grit on Church Street have been reported to DCC and Gordon has kindly cleared the bandstand.

J Barry reported that he and Peter have removed the broken planter by the Cross and replaced it with barrels. The Council noted with thanks the kind assistance of Steve Baker and Ben Makenson.

Signage:

Cllr Barry reported signs requesting 'no parking' have been put up on front of the defibs at the top of The Dale and Uppertown. RG agreed to buy sign for war memorial.

Play area:

Clerk had forwarded email from DDDC explaining that altering the play area to ease wheelchair access to the park from Yeoman St was not possible due to safety requirements. Cllrs felt this was not the case. Cllr Grover to arrange photos for Clerk to send with request for site visit.

Repair of Cross:

RG reported that Open Gardens has kindly agreed to cover the cost of the structural survey. Clerk to arrange with GCA, RG to help with arrangement for local builder/mason to assist.

Light at the Cross:

The Clerk reported that National Grid has been informed about the new LED bulb. Now waiting for confirmation via Cllr Barry of the type of bulb used.

Quarrying:

Cllrs Harris, Grover and Barry attended the open day at Ball Eye quarry which was very well attended. There are still noise complaints but these are mainly from Cromford. Cllr Grover reported that there is still a delay in the extension to Slinger quarry, but once that does happen there should be noise monitoring. A resident of Bankside had noted noise one day but Cllr Grover thought this probably did not come from Slinger.

Churchyard wall:

Clerk reported that some of the wall has fallen down (lower side of churchyard). Mick Biggin has kindly offered to do a running repair. This may need more extensive repair in the future.

Small Lime tree:

Clerk has obtained permission from DDDC to fell the small lime tree at the school end of the upper churchyard. Luckily the tree surgeon will be doing work for DDDC on their part of the churchyard on Friday and he will do this at the same time at a cost of £180. Council agreed to go ahead. Clerk to put up No Parking signs for that day and inform residents.

Full details of the meetings can be found on the Parish Council page of the new village website at <https://bonsall-pc.gov.uk/>, or on the village noticeboards.

The next Parish Council Meeting will take place on **Tuesday 19 November at 7.30pm** in the Village Hall. If you have any issues to be raised at the meeting, please contact the clerk Julia Milverton with details by **7 November**.
